

FLORIDA'S MOST RELAXING PLACE.

NAVARRE BEACH, FL

Navarre Beach
FLORIDA'S PANHANDLE

Greetings, friend! And welcome to Florida's most relaxing place.

We invite you to venture to Florida's Panhandle, slow down and discover the uncrowded, unspoiled and unhurried natural beauty and charm of Navarre Beach and the surrounding area. Inside this handy pocket guide you'll find a relaxing blend of waterfront beauty and backwoods adventure that begs to be explored on your next Florida vacation.

So read on. Plan your visit. Then discover everything that makes Navarre Beach Florida's Most Relaxing Place. On your own sweet time, of course.

A man wearing a green baseball cap and colorful swim trunks is lying on a dark brown lounge chair on a sandy beach, looking out at the ocean. In the shallow surf, a young girl in a colorful swimsuit and a young boy in a blue long-sleeved shirt and blue shorts are running and playing. The ocean has gentle waves, and the sky is blue with light clouds.

Navarre Beach >

Navarre Beach is one of those places that you can't help but love.

Its uncrowded shores, soft sands and emerald waves have a soothing effect on your soul. Make yourself at home, and enjoy the sand, sun and surf.

Navarre's White Quartz Sand

Tens of thousands of years ago, Navarre Beach was formed by minerals from the Appalachian Mountains. As centuries passed, all other minerals were worn down to dust and washed away, but resilient Quartz remained. Today, Navarre Beach is composed of White Quartz Sand, some of the most pristine sand in the world.

Gulf Islands National Seashore

One of only ten National Seashores in the United States, the Gulf Islands National Seashore offers eight miles of undeveloped beachfront. See towering dunes, iridescent shells, nesting sea turtles, migratory birds and trails through this unique Gulf of Mexico habitat.

Home is where your nest is.

Navarre Beach isn't just welcoming to humans—it's home to many nesting sea turtles. In fact, the Navarre Beach Sea Turtle Conservation Center is located in the Navarre Beach Marine Park.

Save the Sea Turtles

If you see a turtle nest, be careful to not disturb it! If you dig anywhere or create holes in the sand, be sure to fill them in, and never leave trash or debris on the beach. Only leave your footprints and let these baby turtles rest up so they have the energy to hatch and make it to the ocean. Learn more about sea turtles and conservation at [GetRelaxing.com](https://www.getrelaxing.com).

The Navarre Beach Pier

Take a long walk on a long pier when you visit the longest fishing pier in Florida. At 1545 ft. long and 30 ft. above the water, the Navarre Beach Pier is an excellent choice for fishing, people-watching or just watching the emerald waves roll in.

Navarre Beach Marine Park

This park connects three attractions above and below sea level: Navarre Beach Marine Science Station, Navarre Beach Sea Turtle Conservation Center, and the Navarre Beach Marine Sanctuary and Artificial Reefs. The Marine Science Station is typically a closed classroom, but does open to the public for events.

Navarre Artificial Reefs

For those who love snorkeling or diving, there are three cool artificial reef sites to check out beautiful marine life: East Sound Side Reef, West Sound Side Reef and the Gulf Side Reef. Creatures that call our Artificial Reefs “home, sweet home” include coral, turtles, stingrays, fish, octopuses and more!

See the sunrise and sunset from the same spot.

For early risers, Navarre's beaches are the perfect place for watching a beautiful sunrise show. And for those not-so-early risers, you can catch the evening encore performance at sunset. Because we're parallel with the path of the sun, you'll always have the best seat in the house on our beaches.

Know the beach warning flags.

Our beaches are beautiful, but you still need to stay safe in the sea. Learn what the beach warning flags mean.

Low hazard and
calm conditions.

Medium hazard levels due
to surf and/or currents.

Dangerous marine life
such as jellyfish spotted.

Conditions are hazardous
due to high surf and/or
strong currents.

Historic Milton >

If you're looking for a place with classic Florida charm, look no further than Historic Milton.

Get a taste of Florida history with a sweet treat at a family owned bakery, or go full-steam ahead into learning about old rail travel in our renovated depot. This walkable town is more like a relaxing stroll through time, and you'll enjoy every minute of it.

Milton Quality Bakery

Family owned for more than 50 years, stop by in downtown Milton for fresh baked goodies like bread, cakes, pies, cookies, doughnuts and many more delicious delights.

Did you know Milton was once called “Scratch Ankle”?

While the town was being developed, the area was known by multiple names, including “Jernigan’s Landing,” “Hard Scrabble” and “Scratch Ankle” before being named Milton.

Old Brick Road

Follow the Old Red Brick Road in Milton! Sometimes known as Old Spanish Trail, the Red Brick Road was originally built in 1921 and the Milton portion is 6 miles long and 9 feet wide.

Tubing - Adventures Unlimited >

Trek the Trails

Get away from traffic and go at your own speed on our hiking and riding trails. We have over 35 trails along rivers, pinewoods, cypress and more for your traveling pleasure. Try the 11-mile paved Blackwater Heritage Trail along a historic rail line, the popular 7.3-mile Juniper Creek Trail along gorgeous Juniper Creek or the very first trail built in Blackwater River State Forest in the 1970s—the Florida Trail. Our scenic trails are a great way to exercise and explore.

The Nation's First Tree Farm

Naval Live Oaks Preserve was established in 1828 as the nation's first tree farm. At the time, our country's navy built ships out of sturdy Live Oaks, and President John Quincy Adams recognized the beautiful abundance of them on Navarre Beach, conveniently located near the Pensacola Coastal. To this day, the land is still protected and is the nation's first and oldest tree farm. Learn more at the Naval Live Oaks Visitor Center.

Blackwater River State Forest

When in Blackwater River State Forest, there are two things you need: a sense of adventure and love of exploration. There are plenty of trails for hiking and biking to get your blood pumping. To cool down, come check out the creeks and rivers where you'll uncover excellent spots for kayaking, tubing and swimming.

Blackwater River State Park

With more than 600 acres of undisturbed nature, you'll have plenty of room to lose yourself (or find yourself) among the many streams and trails.

Gulf Breeze Zoo

Go wild when you meet the fun and exotic creatures of the Gulf Breeze Zoo. From sea creatures to feathered friends, your family will be saying, “Lions and tigers and bears, oh my!” with huge smiles on their face.

Special Attractions

There are more than a few ways to get close and personal with our zoo inhabitants. Take part in hand-feeding the giraffes, go on a fifteen-minute train ride through our free-range preserve, join a hands-on animal encounter, or join a “Meet a Zoo Keeper” talk.

Panhandle Butterfly House

They say that the flap of a butterfly's wings can change the world, so come change your day for the better by experiencing the unique beauty of the Panhandle Butterfly House.

Like Riding a Bike
